

H.R. 736 SUPPORT

A Petition to the 111th Congress of the United States

As an American Citizen, I, _____, believe that our Congressmen should be doing everything in their power to protect our Social Security money.

Felipe Calderon is doing everything he can to get his hands on our Social Security money to hand over to his Illegal Mexicans.

As a concerned American Senior Citizen, I hereby call on the members of the 111th Congress to protect our hard-earned Social Security money by passing H.R. 736 -- the No Social Security for Illegal Immigrants Act.

Signed and Sworn on _____, in the year of our Lord:
