Dear Senator XXXX or Representative XXXXXX,

You are cordially invited to attend the Civic Council Conference on Social Security. We will be discussing two issues of special concern: 1. the Totalization Agreement negotiated with Mexico, and 2. the annual COLAs granted to seniors receiving social security benefits. Would you be willing to offer your thoughts on either of these topics?

We will be holding this event at noon on Wednesday, December 10, 2008, at the Seniors Resource Center, located at 1780G North Market Street, Frederick, MD, 21701.

The Civic Council is a national, non-partisan, non-profit organization that works to educate, inform and advocate on behalf of our members regarding issues concerning the uncertain future of Social Security.

On behalf of the 209,281 members and supporters of the Council of Seniors and the Benefit Security Coalition, our two programs dealing with these issues, I hope you will be able to attend this exciting opportunity to discuss the future of Social Security in an open forum.

As a non-partisan organization, the Civic Council welcomes any and all opportunities to assist members of the Congress from both sides of the aisle in furthering our goal of preserving, protecting and strengthening Social Security for both current and future recipients.

Please RSVP by December 1, 2008, to 301-624-5547. For information on the Civic Council, see www.CivicCouncil.org. For the Seniors Resource Center, see: www.Seniors-Resource-Center.org.

I look forward to seeing you there.

Respectfully,

Thomas Cromwell
