Dear Ms. Ambrose:

Thank you for contacting my office to share your thoughts on H.R.557, the United Nations Transparency, Accountability, and Reform Act of 2009. As your Representative, I am guided by the perspectives of my constituents, and I appreciate you taking the time to convey your opinion on this important issue.

On January 15, 2009, Representative Ileana Ros-Lehtinen introduced H.R.557 and it was referred to the House Committee on Foreign Affairs. This bill is aimed ensuring greater transparency and accountability in United Nations funding. As someone committed to restoring a fiscally responsible federal budget I strongly support effective efforts to increase transparency and accountability in United Nations funding and all taxpayer spending. I do not serve on the Foreign Affairs Committee, but if this or related legislation comes before the full House of Representatives, please be assured that I will keep your views in mind, carefully consider the facts, and vote in a manner that is in the best interest of my constituents.

Please do not hesitate to contact me again in the future regarding issues that concern you. I believe that continuous communication with the residents of the First District is essential to helping me be an effective advocate for you in Congress. Thank you again for contacting me and I look forward to hearing from you.

Sincerely,

Frank M. Kratovil, Jr.  
Member of Congress
